We're just starting to get excited about the World Cup. Don't get us wrong, we know we've got fuck all chance of winning it, but we fancy the late nights, the Brazilian beach babes and getting bored during an Iran game and flicking over to a scruff film for a quick shuffle. We asked all this issue's girls for their predictions and it turns out none of them like football (we weren't surprised by the Yank babes!) except Jenny. She's rooting for England but reckons Spain will win it. She's not daft...

XXXXXLDEN AGE!

Dear Club,

May I give you some appreciations about three guests in *Club* 43.04 I've just read in France: Blonde goddess Lola is gorgeous, she's so sexy glam with her tight white dress with black lace deco... oh her body! Her glorious little tits and her superb cunt... she deserves total worship!

Glad to find in your pages the stunning brunette Shyla, she's the queen of sweet tenderness and carnal madness. I do love her little bush so tempting to be licked... for me she's the woman with her terrifically sexy black lace cloth. I'll be happy to offer her the hard balls she gives me each time I see her pics!

Top of the top: Zara, woohoo! What a blonde lesbian discovery! How do I want to lick her fine lips, her glam boobs and her

pink treasure between her fishnet legs. Even if she doesn't want to rub her tender skin to a man one, I would greatly appreciate to see her playing with another chick! Please call her back for another photoset, she's worth it! All my thanks to the editorial team: Keep going in this new talent discovery way! And if you find some French or Mediterranean chicks, do not hesitate to present them!
Giorgio, Paris

Merci, Giorgio. We agree, all three girls are keepers and we've passed your appreciation on to them. As for French girls – yes, we should have more of those in Club, but it has gone a bit quiet on the Gallic girl tip recently. Our scouts are donning Breton shirts and climbing on their bicycles now to find a fresh batch...

Dear Club,

While I discovered I was bi-sexual a few years ago, I've still stayed with my boyfriend Rob and tend to use women for the more wanton aspects of my sex-drive. He's happy with this, as he often gets a couple of women sucking his dick at once – a compromise he's happy to make! Nonetheless, he is a little strait-laced in public and I've got to keep a few things from him.

Alice is the latest girl I've been messing about with, and we're like a couple of teenagers when we get together. We'd been having a girlie afternoon in and out of the shops on a Tuesday afternoon, and had then decided to get a bottle of wine and sit out in the park. Alice was being loud and mischievous and talking dirty in my ear as people passed by, giving us a few funny looks. They really stared as Alice nuzzled at my neck, and pretended to mount me on the bench saying loudly, "I love a good woman," and giggling naughtily. I was getting a little tippy and could feel myself getting aroused.

"I need something now," I suddenly pleaded into Alice's ear. She was always up for it and grabbed our bags and me by the hand, leading us behind the hedge to a more secluded bit of lawn. "Lucky you're wearing a skirt," she noted, as I was pushed back onto the recently mown lawn. As my panties were yanked towards my ankles, my bum was tickled gently by the blades of grass. This felt great, and as Alice smoothed my thighs apart with her palms, I gasped at the sensation of the breeze on my exposed hole.

Alice's manicured hands flicked at my clit, before opening my glistening lips. Licking at each in turn, she then spread them further using more fingers and entered me with her tongue, her head to the side. Lashing her tongue sideways, with her lips pressed against my pussy lips, my cunt became soaked with her saliva as it seemed she had all of me in her mouth.

My clit pulsed with anticipation as she dragged her mouth up through my drenched hole and began to curl the tip of her tongue rhythmically against my button. Alice pressed hard against my clit and built up a more insistent rhythm.

I was gently pulling her long hair towards me, keeping her right where she needed to be, when my mobile went. It was Rob trying to get through. "Answer it," Alice insisted, barely taking a breath before clamping her

FOX ROCKS COCKS!

Dear Club,

Aidra Fox must be the discovery of the year. In an issue that had Connie and Sophia in – two of my favourite girls ever – I reserved an extra large dose of spunk for Aidra. She does look a bit like Minnie Driver by way of Sophie Ellis Bextor, but both of those are very good things. Let's see more of her soon!

Keith, Shropshire

We were stunned by Aidra's pictures too. A bit of research turns up a few porn films she's recently made, and fine they are too. But you have asked, and we have responded – expect another appearance from Aidra next issue!

mouth over my pussy again. "Hi Rob," my voice fluttered. "How are you girls enjoying your day?" he cheerfully enquired as I bit down hard on my lower lip, due to Alice's three fingers stretching my twat wide. She pumped my hole with her hand, expertly frigging me with her tongue, as I had Rob chatting amiably in one ear and the sound of a conversation on the bench in the other. Feeling the warmth fill what seemed like the entire lower part of my body, I cut Rob off without warning, and gripping fistfuls of her hair fucked Alice's face, growling, "You naughty fucking bitch, I'll give you what you want!"

Alice clamped her hand over my mouth, sucking at my rigid nipples whilst my orgasm subsided, aware that everyone could hear but still wanting me to enjoy it. Recovering, I joked, "Don't get all shy on me now," She replied, "Oh, I'm fine, but I think you better call Rob back," and then fell about laughing, as I nervously reached for the mobile!

Wheely hot...

To feature in the august pages of *Club International*, a girl has to look fuckable. I mean, that's a given.

But Jenny? She looks so, so fuckable it makes us ache. There isn't a bit of her body that doesn't look like it would be huge fun to rub your cock against. She's the kind of girl that gets you blowing your load and then has you hard again in seconds. And then again, and again...

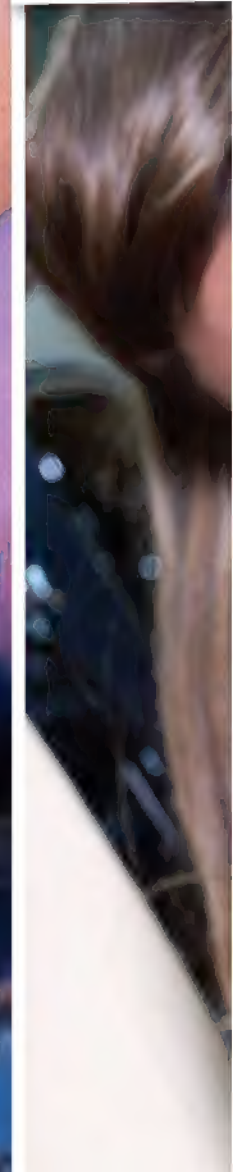

Of course, while we'd happily rub our dicks on her feet, we don't think we'd be truly in heaven until we'd sampled that perfect arse. It might look tight, but we reckon it would suck in our cocks, our balls and then our entire bodies. Ready when you are, Jenny... ♣

club's ROUGH GUIDE

Another World Cup looms and Matt Loxham asks the big question poised on every proud Englishman's lips: Boss, can I knock off a bit early for the Costa Rica match?

The FIFA World Cup

Brazil - June 12th to July 13th

For those with even only the slightest interest in football, the World Cup is still an event to savour. If you hate the sport, well, tough luck, because this is one all-consuming competition that is nigh-on impossible to get away from – perhaps just be happy it only takes place once every four years and stop moaning. Spanning 32 soccer-soaked summer days and nights the tournament marks a relentless period of wall-to-wall football coverage, with match after match stacked up across the TV schedules, often followed by lengthy highlights programmes to boot.

Crucial games often pop up at weird times, providing the perfect excuse to go to the pub earlier or stay later, depending on your usual routine, and even to bunk off work to watch a match

should you have the chutzpah to do so. Those fearing reprimand from the boss for throwing such a brazen sickie can make do with discretely downing tools in the office and covertly watching the live streaming on the internet, perhaps excitedly sharing score updates with colleagues in hushed tones to avoid detection.

Being surrounded by the beautiful game, bonding with colleagues, drinking too much booze, pissing off Corrie and Eastenders fans... that should be what the World Cup is all about. When you factor in supporting England, however, this thrilling celebration of football does also carry with it a vaguely depressing and mostly predictable subplot.

Prior to and during the early stages of the competition age-old questions will be dusted down and asked once again, most commonly by banal anchors hired seemingly almost exclusively for the purpose, including Gary Lineker and Adrian Chiles. Can England win

it? Will the heat/humidity/ball/hotel hamper our chances? Is the squad experienced enough/too old? Can Frank Lampard use his zimmer frame during matches? Redundant personalities such as Andy Townsend and Gordon Strachan mindlessly speculate.

The build-up to England's matches will as always be intolerable, with countless references to pride, passion, Saint George, and players reassuring us in bland, choreographed interviews that yes indeed they are 'proud to wear the shirt', 'really fired up' and 'definitely not fucked after a long domestic season'. All this prior to the inevitably apologetic exit against (insert any above-average team capable of playing basic possession football who don't wither in stuffy weather). Like Italy, for example, who passed Roy Hodgson's men into complete submission back at Euro 2012, or Uruguay, very much at home in the heat and humidity of South America and boasting one of the tournament's most exciting strike forces in Liverpool's Luis Suarez and Paris

St Germain's Edinson Cavani, reportedly on Manchester United's lengthy shopping list this Summer. The very same Italy and Uruguay who just happen to be sharing a group with England, and who could well 'break the nation's hearts' by dumping 'our brave lions' unceremoniously out of the tournament before it's really begun. At least Hodgson has picked a young squad who might at least look eager to be on the pitch, showing up Wayne Rooney as he slopes around lamenting the relatively modest England performance fee.

For genuine rather than hopeful contenders, it's difficult to look beyond the usual suspects, with the hosts obvious favourites and Argentina, Germany and Spain close behind. While Brazil will benefit from having a passionate, naturally rhythmic and camera friendly home support, they'll also face the pressure of being expected to win by a soccer mad nation, pissed off by how much putting on the shebang has cost. And this with a team that many are describing as 'far from vintage', overly reliant on relatively young and inexperienced players such as talented Chelsea midfielder Oscar and Barcelona hotshot Neymar, both of whom have never played at a World Cup.

Argentina boast a formidable forward line that includes Lionel Messi, Sergio Aguero and Napoli's Gonzalo Higuain.

although their defence lacks similar star quality and their midfield is heavily reliant on Barcelona battler Javier Mascherano. Germany, however, are seemingly at the peak of their powers after going unbeaten in qualifying and scoring 36 times in the process.

Much will depend on resident goal machine Miroslav Klose, with Arsenal's Mesut Ozil, and Bayern Munich duo Bastian Schweinsteiger and Mario Gotze providing a nice blend of creativity and crunch in midfield. Defending champions Spain might be considered past their best by some pundits, but then again what do they know? It's frankly impossible to rule out a squad that contains the likes of Andres Iniesta, Cesc Fabregas, and the Atletico Madrid strike pairing of David Villa and Diego Costa, the latter soon to be of Chelsea if you believe the tabloids. Belgium take on the dubious role of 'Dark Horses' boasting a team of talented youngsters including Chelsea

duo Eden Hazard and Romelu Lukaku, the latter having enjoyed such a great season on loan at Everton this year.

We can speculate as much as we like and self-proclaimed experts can bollock on in newspapers, pubs, TV studios and, well, basically fucking anywhere, as to who is going to win the World Cup, but only one thing is for certain – non-stop footy for a month, and surely that's a reason to celebrate. Who knows, England might make me look like a complete dickhead by winning the thing after all. Let's hope so, eh?

Wimbledon

All England Tennis Club
June 23rd to July 6th

While our footballing heroes toil away in the World Cup pressure cooker, an altogether more civilised event will be taking place over at SW19, where beating drums, chanting and samba dancing will be replaced

by polite clapping. 'Go Andy' and three middle-aged women from Guildford trying to start a Mexican Wave after too much sun and Pimms.

Following Murray's victory last year – the first British men's singles winner since Fred Perry prevailed back in 1936 – the 2014 running is going to have a lot to live up to, although with the pb-faced jock very much a live contender for back-to-back titles and Heather Watson back from injury and well positioned

to topple the odd seed or two, Wimbledon could well be the place to seek out patriotic 'British' victories when Roy Hodgson's young charges are playing chase-ball over in Brazil. The only admittedly fairly major question mark over Murray's prospects this summer is that he's had a trying season so far, returning from injury, getting dropped by his coach Ivan Lendl and losing matches to main rivals Roger Federer, Novak Djokovic, and Rafael Nadal, already. Wimbledon, of course, is a place that undoubtedly brings out the best in the reigning champion, but the plebs on Murray Mound will have to be at their most

vociferous for the famously dour Scot to be smiling once again on Centre Court come finals day. The aforementioned Djokovic, Nadal and a revitalised Federer yet again pose the most obvious threat, along with Australian Open winner Stanislas Wawrinka. In the ladies' tournament, British Number One Laura Robson misses out with a troublesome wrist injury, leaving Heather Watson and Johanna Konta to fly the flag for the females. Watson, once

Oppo Find 7

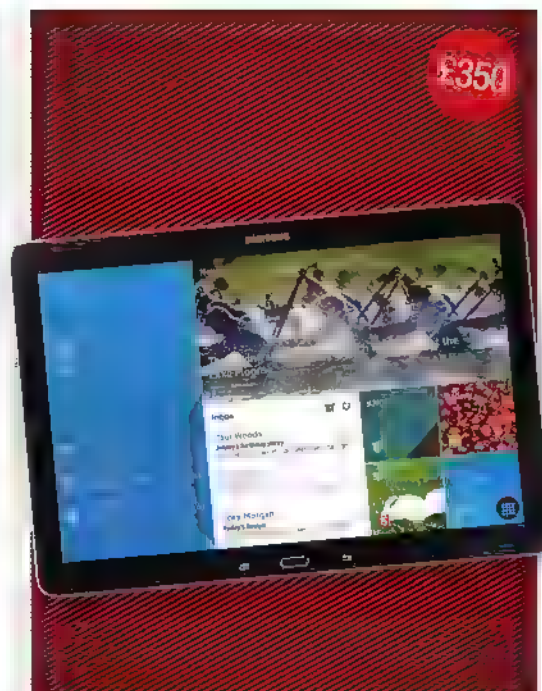

oppo.com

Brand loyalty is such that it can be hard to make a splash in markets that are seemingly already sown up by the big boys. But dig deep and you may find a truly tremendous product from a company like, erm, Oppo.

This phone boasts a huge 5.5" screen, with incredible performance and pixel count, Gorilla Glass 3, a fast processor, a 50MP camera and feature after feature. A genuine iPhone challenger? Yep, and in many ways it's (whisper it) superior. 1-0 to the Oppo.

Pros: Affordable, awesome screen.

Cons: Might not fit in your pocket.

Samsung Gear 2

samsung.com

There aren't going to be many months when we don't see an entry into the smartwatch market, but give Samsung credit, they have realised two glaringly obvious facts: People who wear smartwatches are likely to be a) affluent and b) vain, and thus will want a watch that does have at least some aesthetic appeal. So, the Gear 2 does all the smart stuff – heart rate, apps and whatnot – has a reasonable camera built in (and a very discreet one at that) and looks alright as well. A leap forward.

Pros: Doesn't look like a medical device.

Cons: Camera is so-so, limited uses.

Samsung Galaxy TabPro 8.4

samsung.com

The tablet marketplace is hugely competitive. Do you go in on a budget level and aim for schoolchild success like the HUFL, or do you try and craft an expensive iPad competitor? Well, Samsung are a real player in that world, but this feels like it falls between two stools.

At this price it should be up there with the iPad yet, the lovely screen aside, it's not really in the same ballpark at all. It's not even playing the same game. The iPad's battery is a long-lasting thing of wonder (if only they could improve the shitty iPhone battery!), but this clocks in at a few hours less, which is a major downer.

Pros: Great for watching films.

Cons: Battery life is below par. ☹

We normally refrain from making crass sexual comments about the ladies who appear in our magazine. Honest. But with Cassie we have to be blunt. Is there a more enticingly crinkly bumhole in the world at the moment? Let's be clear, the minute we clocked it we wanted to park ourselves in it right away.

"Well, I'm partial to a bit of butt sex," the Yank lady tells us, "but definitely not on a first date. But if you like it so much, I'll let you tongue it for a while – that's usually enough to make me cum as it's sensitive. And making me cum usually gets a man an 'access all areas' pass..." ♣

STYLING

Natalia has appeared in *Club* so often over the last few years that she deserves a frequent flyer card. But rarely has she looked as hot and fuckable as she does here. It just goes to show how well the simple things – some kinky pink boots, for example – work on the average male libido.

"I do love these boots," she says, "I can go out in them but they're at their best when worn with nothing else, just these boots and my naked body towering over a man as he licks his way up from them to my pussy. Mmmmm!" ♣

Bikini Bang Bang

(Digital Playground)

There aren't the usual big names in this feature from Digital Playground but, sometimes, that's a good thing. Instead, we can enjoy the company of Chloe Foster, Kiera Winters,

Sienna Day, Rilynn Rae and the very, very underrated Romi Rain. There are bikinis, there is surfing, and there is a murder plot that is hardly up there with the best of Arthur Conan Doyle. But then, you don't get Romi Rain snobbing knob in Sherlock, do you?

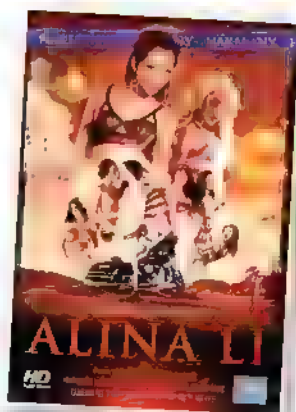

★★★★

The Initiation of Alina Li

(Harmony)

Less Brit and Euro-centric than recent Harmony films (not that we're complaining!), this sees Gazzman going to Las Vegas to chronicle the sexual awakening of newbie Alina Li. There's much to like here – Sam Bentley, the lovely and rude Casey Calvert, and some good scenes – but how much you go for the film depends massively on how much Alina floats your boat. We found her a bit plain and unengaging, but we're happy to see Harmony spreading their wings. ★★★

Pussy Harvest

(Private)

Of all the themed compilations that Private have given us, this has to be the most surprising and spurious. Wine? Not something we associate with porn (well, except for when we're drunk and watching it). However, this is as good a tug film as you could wish for, with some new scenes, genuinely hot girls, and the lovely, fleshy Marina Visconti getting double-dicked. Bonus points for hot Scot bot Georgie Lyall popping up too. ★★★★★

LICKS

all through the night!

Jessica is 18, from Michigan and has just discovered the extent to which she likes dick. No, she loves it.

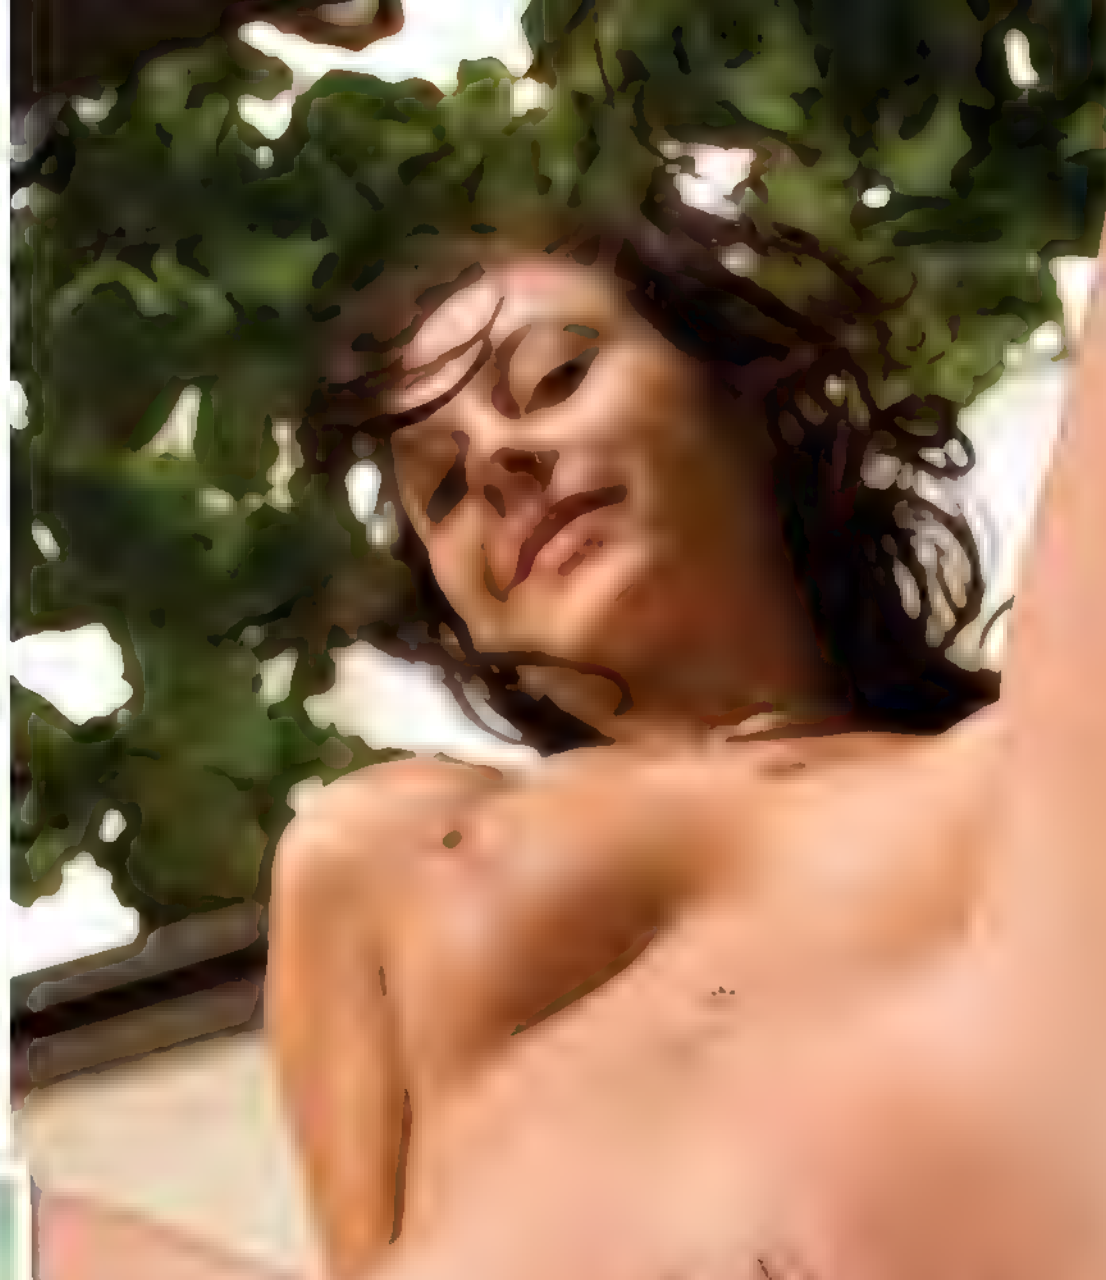

"My first boyfriend wasn't very good with his," she giggles, "so I thought sex was overrated. Then I met a guy who had a smaller one but really knew what to do with it, and now I understand what I've been missing!"

So you're catching up?

"Yep, and I'm a quick study. I found out that I could deepthroat, and I love the taste of sperm. I love to swill it around my mouth before gulping it all down!" ♣

GLOBE THEATRE

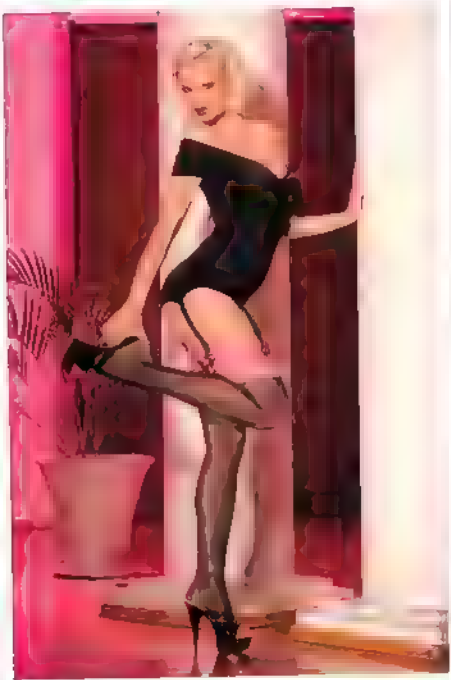

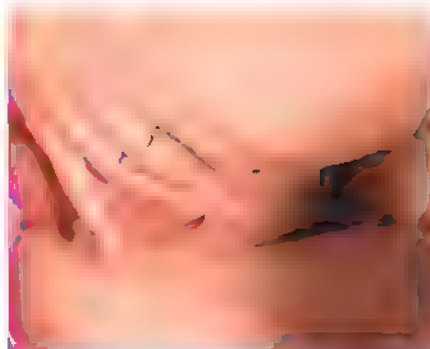

All the world's a stage, and sometimes famous ladies get their norks out on it...

She couldn't look more English... and she couldn't look more sexy. Rebecca Hall has the prominent jawline of the comfortably off, and we'd be very happy hiding our dicks in that capacious gob. The daughter of theatre legend Sir Peter Hall, Rebecca has teased us in *Lay The Favourite* (we will), shown boob in *The Awakening* (we had a stirring) and titillated our bell-end by getting out her Tietjens in BBC's *Parade's End*. We'd go Hall the way with her... ♣

BUBBLING UP!

I've had this little jacuzzi in my back yard for a couple of weeks now, but nobody to come and play with me in it. I'd like you to come and join me, to help me make the most of my new toy.

I hope you like my body – I sure do! I love going to the beach to show it off. I'll sashay along, with a sarong round my waist, watching all the jaws drop as I go jiggling by. There's a way to walk with a slight spring in your step that makes your titties bounce so jauntily, all eyes are drawn to them. But right now, it's just you and me, and this hot tub of bubbling water. I'm going to get in first, and warm myself up.

Mmmmm... that's the perfect temperature. Now, where is it... here it is, a nice big jet of water for me to sit on. As the water buffets against my delicate cunt lips, they become engorged and swell, so I can feel my already tight bikini bottoms getting even tighter around my pussy lips. I think it's time I took this top off, don't you? My breasts are now half-submerged in the water, so the water line cuts right across my nipples. As the water laps up and down, it gently kisses my nubs.

If I push my pelvis in and my bum out a bit more, I can change the angle so the water's

now bashing against my buttohole. Cheeky! I start to flush at this point, getting more het up now, and I can feel my sticky juices collecting in my pants. I know what wants a water massage next. Turning around so I'm facing the jet, I spread my legs to give my clit some liquid loving. Fuck, yeah, I think I can cum like this. In fact, I know I can cum like this, I have had this thing for a few weeks now, you know! I try to wriggle myself around my liquid cock, but my knees bang against the wall, and I just can't get close enough.

There is this one thing that I've wanted to try since I've had the jacuzzi but am unable to do on my own... Since you're here, would you mind helping me? I want to get my clit as close to this gushing stream as I can. If I stay facing the jet, and hook my legs over the side of the jacuzzi then my bum is right up against it. I just need you to step in and support my upper body – can you do that?

You swim over to me, rest my head and

around your waist, pulling you further inside me, and relax into a good finger fuck.

Another finger joins the first, and soon two fingers are sawing in and out of my cunt. You're opening me up and your fingers wriggle and stroke the inside of my walls.

With crooked fingers you start to massage that sensitive spot on my outer wall so my pussy starts really throbbing. Where the fuck did you learn to do that? I start to thrust my pelvis in time to your movements, gently at first, then slamming my cunt down on your fingers so soon I'm fucking them as much as they're fucking me. Harder, I need more inside me, I want to be filled, stretched.

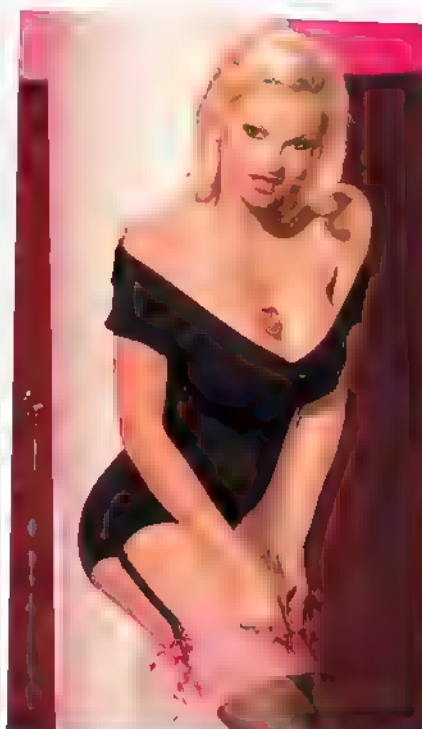

Your eye falls on the dildo that I've casually left on the jacuzzi side. I'm not the world's most subtle hint. You strip my bikini bottoms off me completely and hoist me up so I'm sitting on the side of the jacuzzi, one of my long legs running down each side. I can spread them quite wide, can't I? In this

“**Another finger joins the first, and soon two fingers are sawing in and out of my cunt”**

neck on your chest, and take a hold of my breasts, one hand on each. My nipples are so hard they feel like peanuts, and you tease them between thumb and forefinger as the jet pushes my sex button. That's so hot. I can feel a pressure building up in my lower body as my orgasm starts to build, and a pressure in my back where your swimming-trunk covered hard-on keeps brushing tantalisingly against my spine.

You start to pull and push me towards the spurting nozzle, play-fucking me with it so that although I've still got my bikini bottoms on, it feels like I have a watery lover in front, and you caressing me from behind.

You spin me back towards you and push me up against the wall. Pulling my bikini bottoms to one side you slide a finger right up my soaking gash, all the way in up to the knuckle. My bubbly encounters have left me hot and begging for it, you slide in all the way, no problem. I wrap my legs

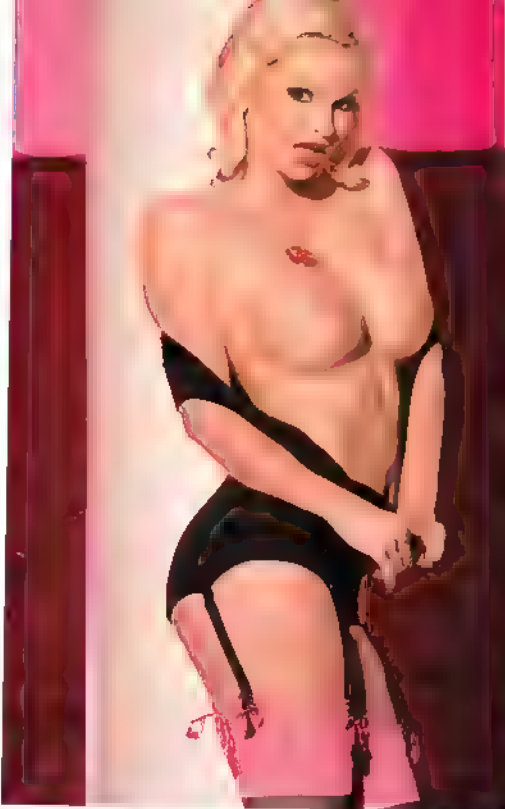

totally splayed-out pose, you put the dildo to my pussy lips, and watch intently as the first inch glides in. You keep on pushing so it's four, five, six inches buried deep inside me, while I grind my pelvis on the shaft. You start to piston it in and out, watching my pussy lips grip its length.

I start to moan as your action gets faster and you get more into it so that soon all of the dildo is in me. The side of your hand slaps against my cunt and beats on my clit as you hammer the dildo in and out. I'm so full of pleasure it's hard to breathe so my breath is coming in strangled gasps. As the dildo comes out it's covered in my juices, and they're starting to trickle down in long strings into the pool. Make me cum, I need to cum.

My red hot pussy is starting to pulse, and you swoop in, enclosing soft lips around my clit and flicking across it with your tongue while still fucking the shit out of me with the dildo. Unable to withstand the arousal any more, with you still lapping at my clit and the dildo fucking me so fast it's a blur, I cum all over your hand and in your mouth. That's so good, and I'm screaming, leaning back on my hands and pushing my sex in your face, getting as much of the dildo in me as I can. Oh yeah...

That's a mighty hard-on you've got there. I think I can help you with that. Taking a breath, I dive deep underwater, free your cock from your swimming trunks, and take it in my mouth. It's a fat six-incher, and I breathe out,

“Water's good, dildo's better, but there's nothing like the feeling of a big fat cock inside you”

letting bubbles of air dance all over your cock. I flick my tongue over your helmet, over the underside, before I have to come back up for air. Taking a deep lungful, you playfully push me back down under. I think I can fit all of you in me, and I'm going to try.

Opening my mouth wide, I engulf the whole of your length so your helmet is bashing against the back of my throat. Releasing the air once more so the bubbles tickle you again, I caress your meat with my throat, draw my lips back up, over your helmet ridge, and come back up for another breath. Third time down I lock my lips around your length and suck, taking all of your helmet in my mouth while I start to wank the rest of your shaft with firm strokes. Back up, then I'm sucking you, flicking my tongue all over your helmet and wanking you harder, faster, I can taste your salty pre-cum in my mouth and I want to be fucked by this cock. I want your hot, salty load inside me.

I push you over onto the little seat in the corner of the jacuzzi. Then, I slowly lower my wet hole onto your cock, sitting myself down on your tool, hard. As you enter me I sigh with bliss, water's good, dildo's better, but there's nothing like the feeling of a big, fat cock inside you.

As I start to rise and fall, I clench my pussy muscles, dragging your foreskin back up over your helmet and down again. My insides feel warm and wet, and they're

throbbing around you. I put a hand down to diddle with my clit as I rise and fall on your cock, sending water splashing over the sides.

You put your hands round my waist and start to lift me up and slam me down so I'm fucking you hard. When I go up I go right to the top so each stroke is like a fresh first penetration, and squeeze you all the way down.

Your hands are gripping my waist firmer now, pushing me up and down as you ram your meat into me, and I'm starting to cum again, clenching you tightly and furiously rubbing my clit in circles as I'm penetrated by you, so deep, it's so deep, and I can feel every vein, every ridge of your thick, meaty cock as my pussy starts to twitch around it.

You grab my tits and squeeze them hard in your hands and it sets me off, my pulsing walls spasming around your dick so you start to cum too. I gasp with pleasure as I feel your cock tremble inside me before splattering my insides with cum.

My orgasm peaks as you release your load inside me. It goes on for so long, each spurt making me tremble and judder in your lap, and as my sex beats around you one last time I breathe a sigh of relief.

As I get up, your spunk streams out of me and forms white strings floating in the water. I wonder how I'll explain that to the jacuzzi-cleaning guy...

MILF MONITOR

Don't get me wrong, I've fucked loads of girls in their early twenties like me and enjoyed it but, ever since I screwed my landlady at college, I've always preferred women in their thirties or forties. For a start, they've been there and done it and when a forty-something sucks your cock you realise how practise makes perfect!

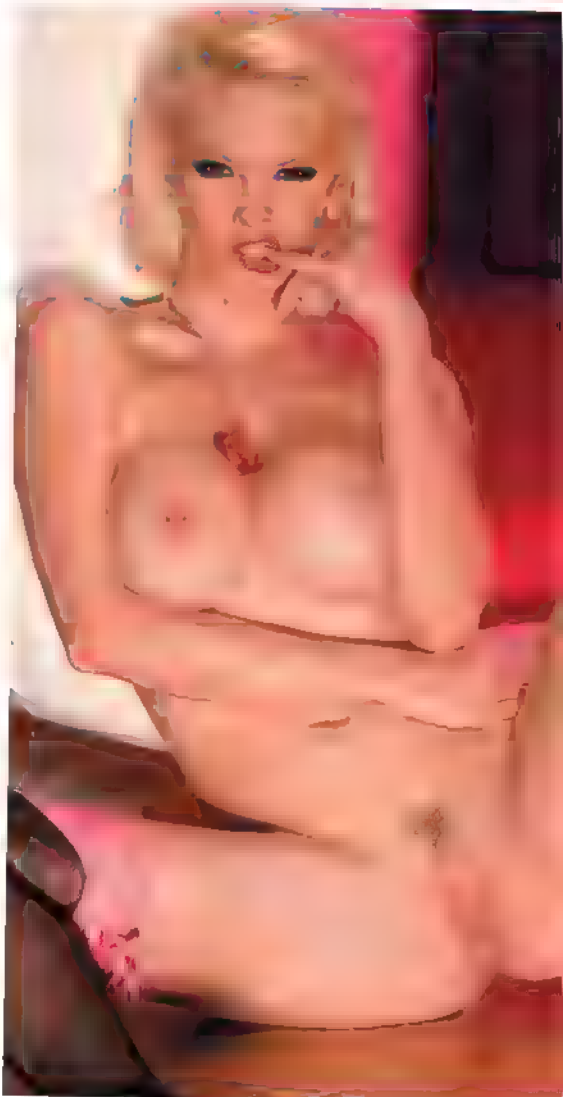

The landlady I mentioned could keep me on the edge of cumming for ages using just her lips and tongue. She knew just when to squeeze my balls or stop sucking so hard until I was literally begging her to finish me off. MILFs don't seem to have as many inhibitions as younger women, and I've done stuff I would never have experienced if it hadn't been for these older babes. For instance, a lot of yummy mummies I've shagged really like anal sex, and have no problem taking it up the bum. In fact, some of them have said they actually prefer it to ordinary shagging. They are also really good at using their whole bodies for sex and I've lost count of the times I've had my prick shoved in between a nice fat pair of tits or spent an hour playing with a woman's lovely rounded arse.

In my experience older women are definitely more adventurous and love dressing up, for example. Most of them

wear stockings and heels when they fuck because it makes them feel sexy. Corsets and basques also hide any bits of their body that they aren't too happy about as they get older, which suits me fine as it's a great turn-on. I knew this one forty five-year-old who had a collection of rubber and leather gear and she loved getting all dolled up in her kinky gear and fucking my brains out.

Loads of MILFs also have no qualms about using dildos, vibrators and other sex toys as they have spent lengths of time without a real cock to please them. It's great watching a sexy woman wanking herself off with a fake dick stuffed up her cunt or better still as she sucks on your dick. Quite a few of them enjoy porn for the same reason and some I've met have had better collections than me. They don't seem to have a problem whacking on a porn DVD while we screw which is incredibly horny.

Women of a certain age are also less clingy and are a lot more likely to be up for a casual fuck unlike girls my own age. Sometimes I've met a MILF in a pub or club and within an hour I'm in between her thighs humping her like crazy, then after she's drained my prick she's cool about me fucking off. I don't really bother much

with birds my own age anymore as MILFs satisfy my every need. No ties, no moaning, no hysterics, just hot uninhibited dirty sex – what more could any man want?

CAKE AND EAT IT TOO!

It was my birthday last week and Sandra, my girlfriend, had promised me something special. I just assumed she was going to cook me a nice meal or take me out to a club as money is a bit tight, so I knew I wasn't going to find a new Mercedes waiting for me in the driveway.

Anyway, I turned up at her place at seven in my smart togs just in case it was the club option. She called down from upstairs, telling me to make a drink and wait in the lounge. After about 10 minutes the door opened and Sandra, who prefers slopping about in jeans and trainers to dressing up, walked into the room.

I almost spilled my drink! Firstly, instead of her usual short black bob she was wearing a long, peroxide blonde wig. She had thick red lipstick and shades on and a sexy black leather mini-dress, laced up at the front so her nice firm boobs bulged through the gap. Beneath the hem of the dress I could see the tops of her sheer black stockings, finished off with a pair of the highest patent black high-heeled shoes I'd ever seen. Was this even Sandra? I thought to myself as my prick began to rise in a salute to her efforts.

She tottered across the room to the kitchen without saying a word and returned with a huge cream covered cake totally smothered in lit candles.

"Happy birthday, baby!" Sandra said in her sexiest voice and placed the cake on the table. Still in shock, I watched as she lifted

the hem of the leather skirt to reveal her lovely bare cunt.

"Wanna see your present?" Sandra purred before pulling open her pussy lips and thrusting her crotch towards me. I could see right up inside her and dragged my cock out in order to release some of the pressure.

"Look, but don't touch," my girlfriend said as she picked up the cake and made me blow out the candles. "You get a piece of me and a piece of cake at the same time," she smiled, pulling the candles out of the cake. She positioned the cake in between her legs just below her gash and looked at me before pushing the whole cake against her pussy.

"Fucking hell!" I gasped as the creamy topping squigged all over her twat and thighs, covering the rim of her stockings and dropping in big dollops onto the carpet.

"Now eat, birthday boy!" Sandra commanded and pushed her goo-covered groin into my face. I lapped at the creamy icing, swirling it with my tongue into the crack of her slit so that the sweet taste of the cake mixed with the sweet taste of her love juice. I scooped up a handful of the cake from the plate and smeared it all over her arse and down her legs, following it with my mouth, sucking the lumps of sponge from between her bumcheeks and tickling her anus through the sticky mush.

"Now fuck me!" Sandra groaned, lowering her cake-covered cunt onto my rock hard knob. I hadn't even managed to get my trousers off but I didn't give a shit as my prick slipped between her pussy lips, squelching the mess all over us, while she banged her fanny down hard against my crotch.

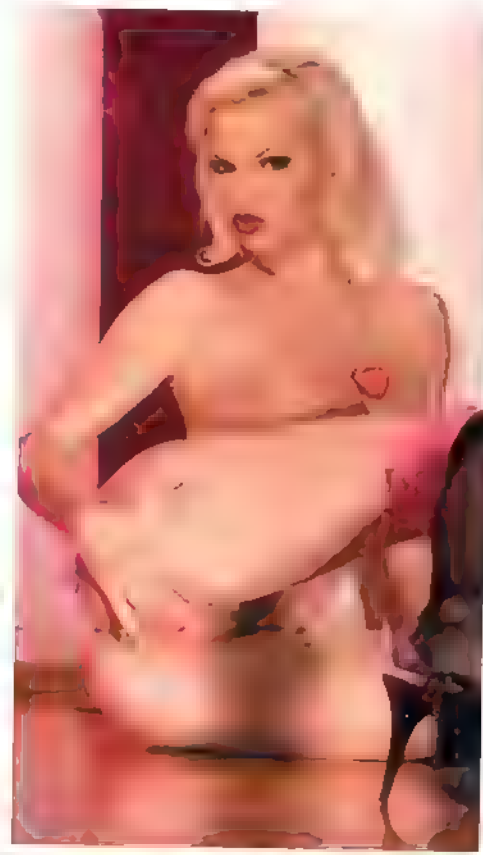

She wiped handfuls of my dessert all over her leather dress, squeezing it in

"Sandra groaned, lowering her cake-covered cunt onto my rock hard knob. My prick slipped into her twat"

between the gap in the front onto her tits. She sucked on her fingers and came on top of me, bucking wildly as the orgasm ripped through her body with force. I pushed her off onto the sofa and stuffed my cream-drenched dick in her mouth, pumping in and out slowly before pulling it clear of her red lipsticked lips and squirting what seemed like gallons of cum over her upturned face, splattering her sunglasses and gunging up her farty fake peroxide tresses.

The room was a fucking mess with cake, spunk and cunt juice splattered all over the sofa, carpet and us but neither of us cared. We continued my birthday fuck feast for most of the evening before enjoying another fuck in the shower as we cleaned ourselves off. I never let on but the wish I made when I blew out the candles had come true better than I could ever have imagined – what a girl!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

A+ FOR ANGIE

I was in a Friday afternoon meeting, bored out of my skull and trying not to show it, when Angie sent me a picture on my smart-phone. I carefully slid the phone out of my pocket and, holding it below the table, brought up the image. I nearly dropped the phone, and felt myself get suddenly very hard. There on the screen in living colour was a picture of Angie's tanned, firm arse smeared with lube, the perfect cheeks separated by the base of a thick black plastic butt plug. At the bottom of the picture were the words "I did it!" followed by a smiley face.

I'd been seeing Angie for a month or two, and to say she's the best fuck I've ever had would be an understatement. She is about five years younger than me, with tanned skin and a lithe dancer's body. She'd done a little pole dancing at some point in her past, and it shows. She works out almost every day, is incredibly flexible and more than a little kinky, which suits me perfectly.

We'd met online, on one of those dating websites for the more carnally inclined, had a couple of conversations on the phone during which we'd gotten each other going more than just a little, and met the following weekend, which turned into two days of exploring each other's body. That weekend turned into more weekends of the same, seeing each other every chance we got.

Ever since Angie found out I liked anal, she'd been pestering me to take her arse. She was a back-door virgin, but the thought of doing something so deliciously wicked turned her on so much she'd start squirming in her seat like a little girl pleading for another chocolate. Under normal circumstances, I wouldn't have needed persuading, but I had concerns about scale. Angie was a petite five foot nothing with everything in beautiful proportion. I'm nearly six foot two; big hands, big feet and big everything else. I'd already caused Angie some pain cramming my long, thick cock into her sweetly tight little pussy. Disregarding the fact that she quite liked a bit of pain, I was worried that taking me in her tiny arse would cause permanent damage.

Never one to be put off by a challenge, Angie bought herself a tub of lube and a chunky black butt plug and set to work training herself to take the thing, sending me proud pictures of her progress. She'd taken to calling it her "homework", and seemed to take it quite seriously. The fact that she'd actually done it sent a wave of lust through me so intense it made my hands shake, and made the rest of that Friday afternoon meeting seem to last forever. As soon as work finished, I rushed home, threw some clothes in a bag and set off on the hour-long drive to Angie's place, the image of her gorgeous backside teasing me in my mind. When I got to Angie's place, she was already

herself crazy waiting for me to arrive, and now I was here nothing was going to hold her back.

With a sigh of pleasure she finally yanked my jeans down around my calves and grasped my hard-on. In her tiny hands my swollen cock looked huge, and for a moment I had doubts that she could really take it. Then she leaned forward and practically swallowed my cock, and all my doubts vanished. With a moan of desire, Angie grabbed one of my butt cheeks and used it as leverage to cram more of my cock into her mouth, trying to force the round head past her gag reflex and into her throat. This I knew would be her next

“Not content with me taking her anal virginity, she wanted to see me violating her secret place”

naked. I'd barely got inside the door before she was in my arms, pressing her hot little body against me, pulling my shirt open and smothering my chest with kisses, rubbing her hard nipples against my skin and grinding her pussy against my thigh. Dropping my bag and jacket by the door, I picked her up and carried her to the lounge, where I laid her down on the couch while I undressed. She, however, was in no mood to wait. While I removed my shirt she scrambled to her knees in front of me, practically whining in frustration as she struggled to undo my belt and release my cock from my jeans. There was a light sheen of sweat on her, and her skin was not to the touch. It was obvious she'd been driving

challenge; deep-throating me. Her other hand squeezed her nipples hard, before sliding down her taut belly and between her thighs. I could already scent her juices, and the slick, liquid sounds her fingers made as they slid into her hungry cunt told me just how wet she was for me.

Grabbing a fistful of her hair, I pulled her off me. She mewled in frustration as I dragged her over to the couch, but stopped as soon as I pushed her onto her back, spread her legs and lowered my mouth to her dripping pussy. And it was dripping. Angie always kept her pussy completely bare, which always made her look even more naked, if such a thing were possible. As I knelt before her and

spread her cunt lips wide, I could see beads of juice oozing out of her slick opening and running down her thighs.

Slowly I ran the tip of my tongue around the edge of her pussy, before dipping it into her cunt and lapping up towards her swollen clit. Angie gasped, swore softly and pushed her hips up to meet me, urging me to push my tongue deeper inside. I ignored her, instead drawing ever decreasing circles around her clit with the tip of my tongue, making her quiver and moan with each rotation. Her breathing grew more and more ragged, and her moans increased as I slid first one finger, then two into her trembling cunt while my lips and tongue caressed her clit. She started to buck against my mouth as I curled my thrusting fingers upward inside her, rubbing rhythmically against her G-spot until, with a trembling moan of pleasure, she came, gasping and calling my name.

Before she'd even finished her spasms of ecstasy, I pushed her legs up to rest on my shoulders and drove my rigid cock deep into her slick cunt, shoving the entire length inside her and grinding the base against her sensitive pussy. The effect was immediate and electrifying. Instantly she peaked again, grabbing my arse in an attempt to pull me still deeper inside her, while her beautifully tight pussy pulsed and throbbed around me. I thought about fucking her then, about simply pinning her down and pounding her cunt hard until we both exploded in a gush of lust and desire. But I knew that's not what she wanted, and I hate to disappoint her.

I took her gently, rhythmically pumping my fat cock in and out of her while she slowly

came down from her shattering orgasm, leaning forward to suck and bite on her pert nipples and lick the sweat from her skin, occasionally slamming my length in hard, then slowly drawing it out until only the head remaining inside, the hard ridge stretching her open just enough to keep her on the boil.

"Fuck my ass," she said, her voice low and guttural with lust, her eyes glittering with desire. I expected her to roll onto her belly so that I could take her from behind, but instead she raised her legs higher until they were behind her shoulders and she could spread her pussy and arse wide with her hands. Then I realised; she wanted to watch. Not content with having me take her anal virginity, she wanted to see me violating her, taking her most secret place. Like I said, more than a little kinky, and I fucking love her for it.

I retrieved the lube from next to the couch where she'd placed it, and slowly began to smear it in and around her arse while I licked and nibbled at her clit. Her breath was ragged now as she struggled not to come again from the sensations and the thought that her fantasy was coming true. Then I slathered it on my jutting, rigid cock, briefly marvelling at just how hard I was

Then I placed the head of my cock – now leaking a thin bead of fluid – against her tiny, puckered hole, and slowly but firmly began to push. For a second her arse tightened against me, then with an effort she relaxed and I felt the incredible sensation of her opening herself to me. Gradually, the head slid inside her, and I felt the unmistakable pop as it passed the first tight ring of muscle. I was breathing

heavily now, almost overwhelmed by the velvety heat and the way her arse gripped me. Angie's nipples were standing out like little bullets, and I could feel the juice running out of her cunt on to me. I couldn't believe how wet she was, and neither could she. Panting, she ran a finger along the length of her slit, and when she pulled it to her lips to taste, a thin clear thread clung there for a moment.

Sweat coated us both as I slid my thick, throbbing cock deeper into her. Looking into her eyes I saw she was lost in her fantasy, her gaze focussed somewhere far away as she let the sinful sensations wash over her. I pushed in deeper still, feeling the rhythm of her pulse and the way her internal muscles were starting to pull me in, drawing me inside.

At last I felt her body pressing against mine. She looked down between us, at her beautiful arse stretched wide open and filled to the brim with hard cock. It looked huge inside her "Oh, God," she muttered. "My cunt is so wet!" She stared at the obscene sight, and I felt her start to tremble inside. "Oh fuck. I'm cumming. Oh fuck, I'm cumming... really hard!" Then words were lost to her, and there was just incoherent moaning, gasping and oaths as she bucked, writhed and ground

herself against me, trying to push more of me into her pulsing arsehole. The sight of her like that, lost in ecstasy, writhing in pure wanton abandon, was almost too much for me. I could have cum then, but I didn't just want to take her arse. I wanted to fuck it.

As Angie gradually came down from her orgasm I slowly started to rock back and forth, easing more of myself in and out with each stroke. She moaned and gasped again, her fingers working on her clit. "Oh God," she muttered, more to herself than anyone else. "You're fucking me. You're fucking my arse." "Not yet," I replied. "But I will."

My pace increased, and this time Angie was urging me on. One hand reached for my waist, trying to pull me in deeper, harder, faster, while the other hand alternated between squeezing her exquisite tits or slapping her clit in the way that never failed to get her off. Sweat was pouring off both of us, and juice was running out of her pussy in a stream. I felt Angie twitch deep inside, and at the same time felt my balls tighten and my cock swell. "Oh. Oh fuck. Oh fuck! You bastard! I'm cumming! I'm cumming again!"

It was too much for me. I slammed my cock into her arse over and over again, our bodies

shaking with the impact as we both raced for the peak. Then, as she arched her back and screamed out her ecstasy, I pulled my cock out of that sweet, tight, hot hole and shot jet after jet of thick, white spunk all over her perfect little body.

Afterwards, as she lay on the couch next to me, scooping my juice off her body and licking it from her fingers, I laughed quietly to myself. "What's funny?" Angie asked. "I was thinking about your homework," I replied. "Did I pass?" she asked, her eyes twinkling with a smile. "With an A+," I replied. "Definitely an A+." ♠

PRESLEY ♣

The King is dead...

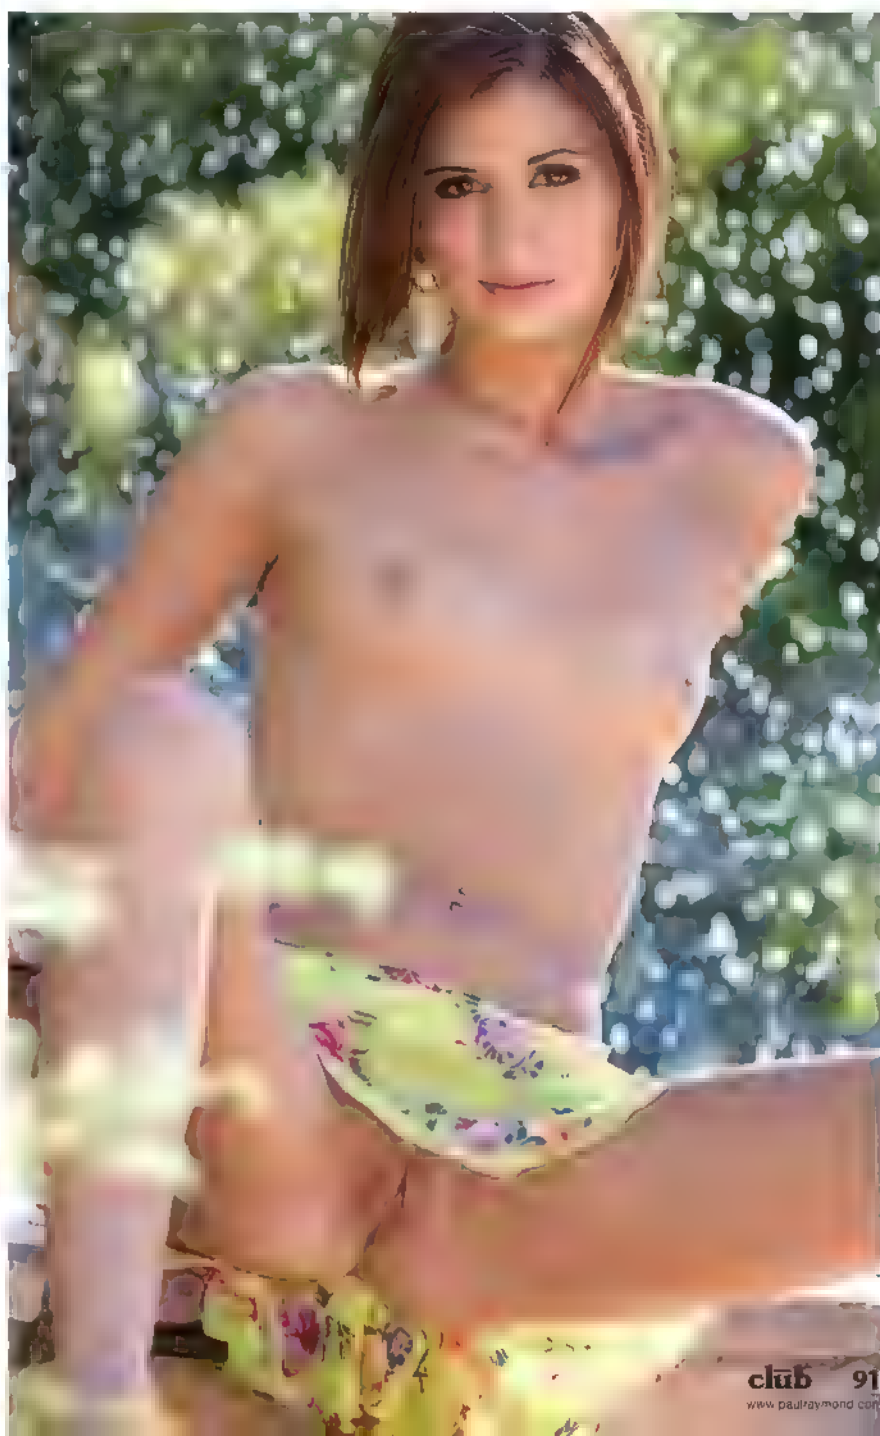

Presley's parents might both have been huge Elvis fans, but the 19-year-old hottie has somewhat different tastes.

"I'm a huge hip-hop fan," she confesses, "and I do a bit of rapping myself sometimes. I'm not as good as Iggy Azalea or Nicki Minaj though." We nod as if we know what she's on about. Then she shows us some pictures of Iggy Azalea and suddenly we're very, very interested.

"Yeah, she's hot isn't she?" Presley giggles. "I'd love to be able to rap like her, but if that fails, I'd love to fuck her. A threesome with her and Nicki, now that would be something. And she's not a rapper, but throw Miley Cyrus into the mix too. I could show them what I'm really good at!" ♣

PRESLEY 

What our well-placed moles are telling us this month...

DOWN THE WIRE

Fanny Fire!

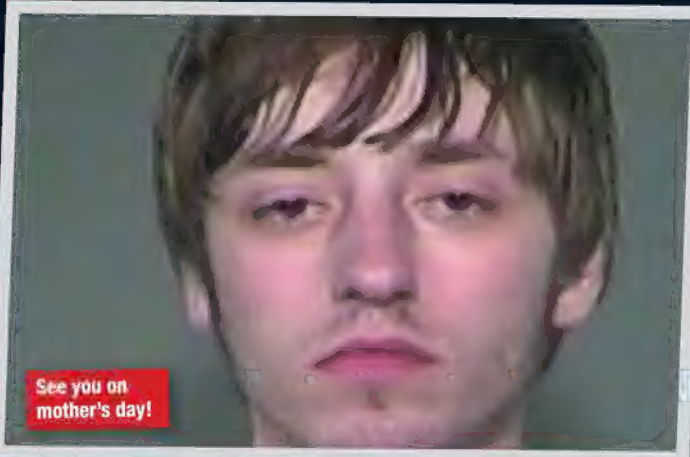

We hope the safety is on!

"Do you smoke after sex?" "I don't know, I've never looked." The old jokes are often the best, but 19-year-old Dallas Archer could have added a whole new dimension after Kings Port Jail searched the teenager on her arrival and found a loaded, five-shot, 22 caliber mini revolver concealed in Archer's vagina. The gun was stolen from a 70-year-old retired car salesman last year, who reportedly on the return of his weapon said he'd make sure to give the, "little fellow... a bath in bleach."

Far Fetched!

See you on mother's day!

A mother's devotion to her child generally knows no bounds, however in this case a \$200 ransom was a little overpriced. Zachery Logsdon, 25, of Knoxville Tenn., repeatedly texted his mother claiming his drug dealer was going to kill him if he didn't cough up \$200. Logsdon's mother was dubious after being scammed before by her son, but eventually called 911 to set up a drop-off. On Logsdon's arrival to pick up the cash he saw investigators and made a dash for it, being taken down after a short chase. Logsdon was charged with filing a false report and resisting arrest. Wouldn't it have been easier to sell your kidneys?

Bad-Ass!

'Twerking' has swept the nation, though demonstrating it isn't appropriate everywhere. Three women were arrested recently after an incident began with two of the defendants 'twerking' near the municipal court windows in Beaverton, Oregon, where Coura Valazquez was paying a fine for a warrant, allegedly exposing their genitals. The trio then left the building only to be pulled over and searched by police two blocks away where they found cocaine, methamphetamine and marijuana. All three women were arrested on multiple drug charges. I think we can safely say they'll be "twerking" all the way to jail. Miley Cyrus would be proud.

Canter Copped!

I'll do anal for a pony!

The Ancient Greeks wouldn't have batted an eyelid but this has proved too much even for Craigslist. An Arizona women has been arrested on grounds of bestiality after trying to procure sex with a horse via Craigslist. The transgender woman, legally known as Donald Waelde, 22, posted her ad in the Missed Connections section stating, "I am 22 years old and I want to play with a male horse. Simple as that. If you have access to a male horse, and can allow me access to a male horse, then contact me please :) I will do something in return." I don't think we want to know what you were going to do in return, you sugarcube grooming bastard... ♣
